

## Computer Design Workshop, Week 8

### Project: Art Parade, combining techniques

Students will take their time doing a grand piece of art today using all of the art techniques learned so far.

In their art, students will use:

- Gradients (wk 2)
- Digital Calligraphy (wk 3)
- Assorted Brushes, including some of their own (wk 4)
- Filters (wk 5)
- Freehand drawing (wk 6)
- Straight-line drawing (wk 6)
- Assorted textures (wk 6)
- The lasso tool or Point-to-point tool (wk 7)

Sample art below created by K.Camenga

20 minutes before the end of class, print out and do a write up in MS Word about today's project what is was and what was created with the techniques. Include name and date please.
